Section 1 – Introduction

The WebCWS for Department of Agriculture is a web based application that enables authorized users to remotely file and process the SPS Clearance with DA and Import Declarations with Bureau of Customs.

The WebCWS application allows you to:

- Prepare and submit the SPS Clearance online;
- Look up tables for Customs product codes, tariff rates, and currency exchange rates used by Customs in computing dutiable values; and
- Manage system information

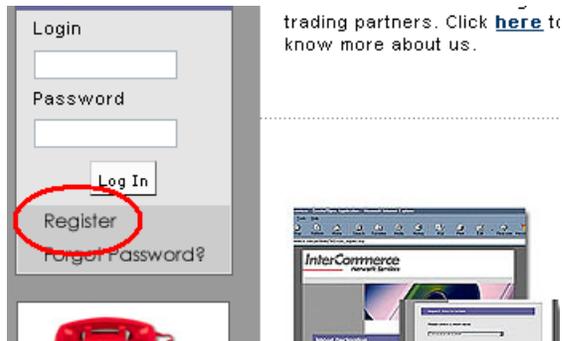

System Requirement

- Computer with stable internet access (1024x768 recommended screen resolution)
- Internet Explorer 5.5 or higher; Mozilla Firefox 2.0 or higher
- Flash Player (browser plug-in)
- Microsoft Excel (Optional for reports)
- Microsoft compatible printer

Section 2 – Getting Started

Online Registration

1. WebCWS account.
 - a. To register an account, go to <http://www.intercommerce.com.ph>
 - b. Select **Register**

- c. Fill up all the necessary details. Select **Submit**.
 - d. To finalize the activation of your account, you need to submit the following fully *accomplished* documents to InterCommerce via FAX (8438160) or EMAIL (manilacs@intercommerce.com.ph) indicating the **Username or Login Name** that you registered online.
 - i. WEBCWS IMPORTER REGISTRATION FORM (first page)
 - ii. INFORMATION SERVICES AGREEMENT (second page)

These documents can be downloaded at:

http://www.intercommerce.com.ph/ICCustoms/download_area.asp

Logging in to the InterCommerce Website

In the address bar, enter <http://www.intercommerce.com.ph>

If Username and password is correct, user will be directed to a secured site. Select **yes** at the prompt.

For security reason, InterCommerce site will be automatically log-off after **ten (10) minutes of inactivity**. Saving your work from time to time is encouraged. To continue working once logged-out, just close the browser and repeat logging procedures.

LOGOUT ►

Welcome to the Members' Page! Please select a module.

Resetting Passwords

To reset your password, the authorized users need to email us requesting to reset their password together with an *attached company id*. The request should include the username, Company or Individual's name. Emails should be sent to manilacs@intercommerce.com.ph.

Password Security

In order to protect the account owner from unauthorized use, proper precautions should be followed when accessing your account especially from publicly used computers (ie. internet cafes, offices and shared computers). Unauthorized use of your account might put your license at risk!

- **Memorize your Password.** Do not write it anywhere.
- If you need to share your account with another person, update password immediately afterwards.
- Always select **NO** when being asked by Windows about saving password options.

Section 3 - Preparing SPS Clearance

Entering Multiple Items

To enter additional items, select the **Add** button. Select **Open** to review previous items and **Delete** to remove current selected item. When adding multiple items, double-check the data per item.

Item Page – 1 Item

Enter all the necessary values on the succeeding items. Select **Save** when done.

Item Page – Multiple Items

Section 4 – Document Requirements

Attach documents like Proforma Invoice and Certificates that are required when applying for SPS Import Clearance.

The screenshot shows a web browser window with the URL https://www.intercommerce.com.ph/WebCWS/cws_attachedfiles2.asp?tim=no. The page contains two sections for document uploads:

- 1. Proforma Invoice:** A text input field followed by a "Browse..." button.
- 2. Others:** A text input field followed by a "Browse..." button.

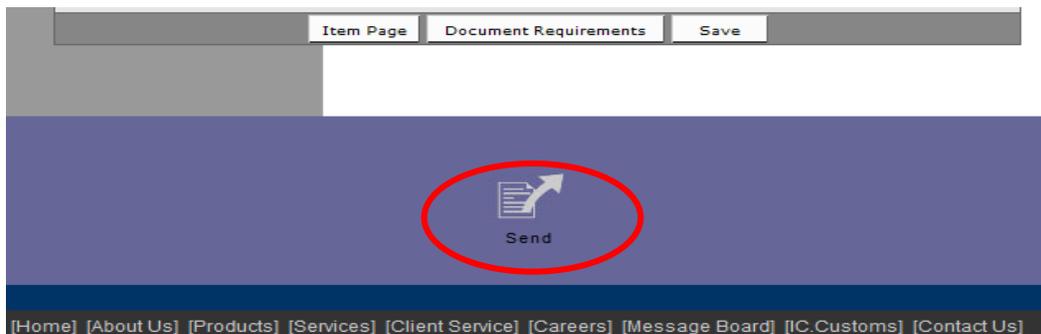

At the bottom of the form, there are two buttons: "Submit" and "Close Window".

Documents must be in JPEG or PDF File.

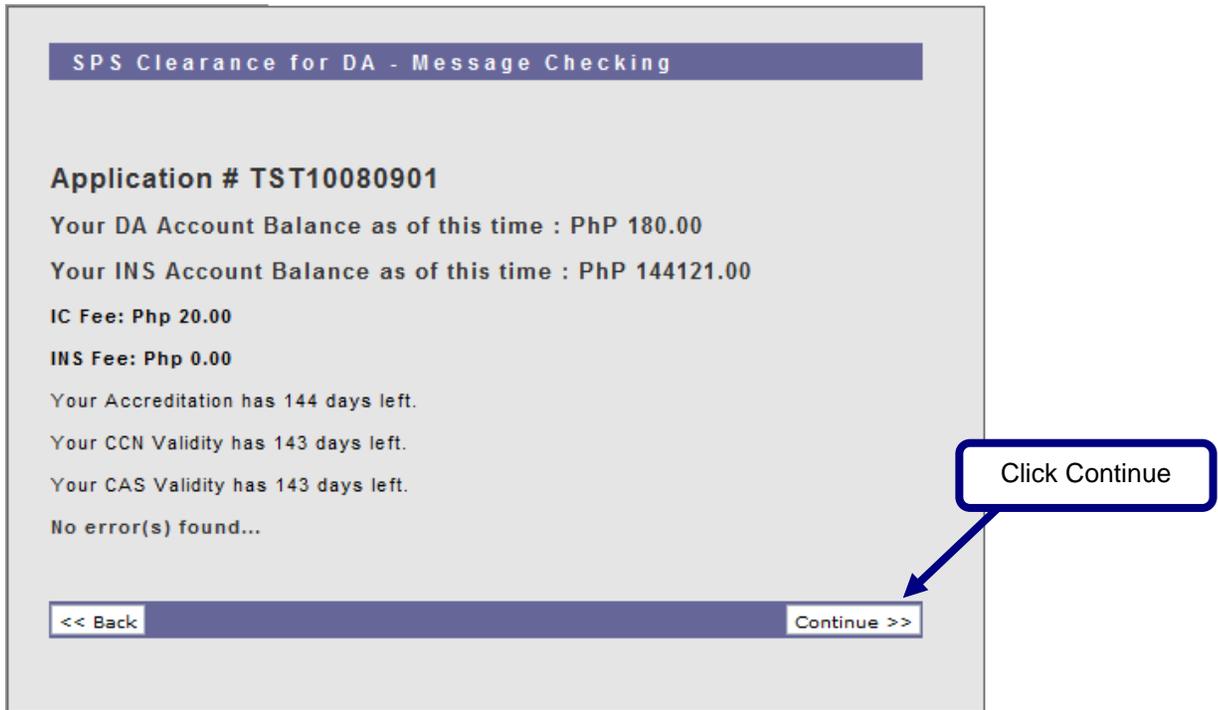

Section 5 – Sending the Electronic Certificate of Authority to Import and Receiving Response

Sending the SPS Clearance to Department of Agriculture Trade System:

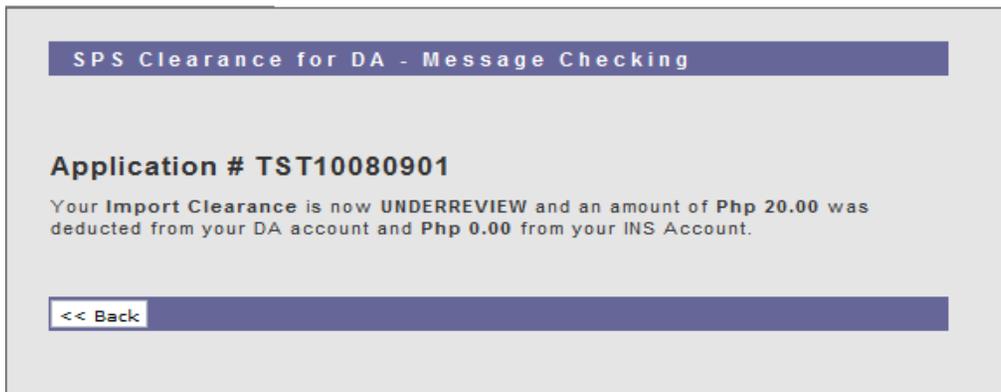

Once you have created the SPS Clearance, you may now send the application to DA for approval.

The Message Checking Window will appear with the balance information, accreditation with the agency, CAS and CCN Validity. Select the Continue button to send your SPS Clearance application to DA.

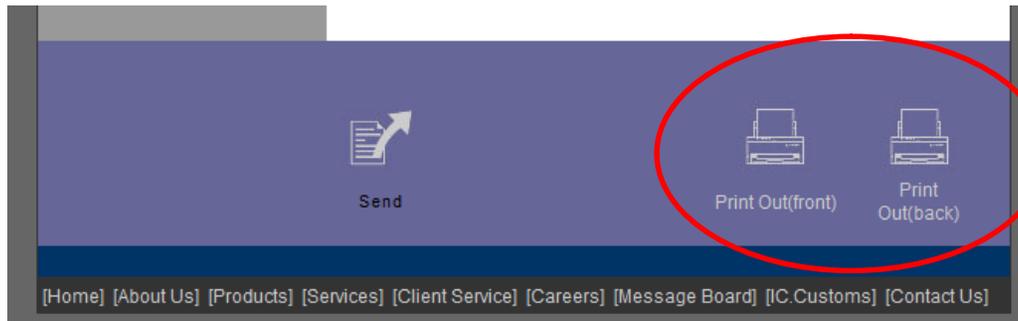

Once successfully sent, a confirmation window will appear that your clearance is **UNDER REVIEW** . Select the BACK button to go back to the SPS Clearance General Page.

Section 6 – Printing the SPS Clearance

Once status is **APPROVED**, you can now print the SPS Clearance by clicking the Print Out (front) button for the first page and Print Out (Back) for the second page.

The SPS Clearance window will appear. Right click on the document displayed to view the available options.

Select the Print option to print the document.

Sample SPS Import Clearance

This is the printout that you are going to send to your exporter. This document will signal the exporter that the shipment is expected in the Philippines. When the shipment arrives, you will then present this document to the Port Quarantine Officers for the actual inspection of the goods imported.
