A message from Consul General Gina A. Jamoralin

My dear kababayan,

It is with great delight that we present to you the first edition of the Directory of Filipino Community Organizations in British Columbia, Yukon, and Northwest Territories.

Our objective in publishing this directory was simple: we wanted to provide information on Filipino Community organizations to newly-arrived Filipinos in Canada like you so that you can start to reach out to organizations that can support you as you navigate your new lives in Canada. We believe that by providing this information, newly-arrived Filipinos in Canada would find it easier to settle and access resources and support from organizations run by Filipinos and Filipino-Canadians.

The organizations listed in this directory reflect the rich and diverse community that the Filipino diaspora has established in BC, NWT, and YT. By providing this resource, we hope that you will be able to link up with organizations that align with your interests and objectives, as well as help you build genuine connections and relationships with fellow Filipinos in Canada.

I wish to note that the organizations featured in this publication are those that responded to the Philippine Consulate General's call for registration that ran from January to May 2025. We will continue to refresh this list and target to publish a refreshed directory on a regular basis so that our kababayan will continue to have updated information on the myriad of organizations that they can connect with.

Maraming salamat at Mabuhay!

A message from Labor Attache Ma. Celeste M. Valderrama

On behalf of the Department of Migrant Workers, it is an honor to support the publication of the Directory of Filipino Community Organizations by the Philippine Consulate General in Vancouver led by Consul General Gina A. Jamoralin.

Filipino community organizations (FCOs) all over the world play a pivotal role in promoting our rich culture, unity and bayanihan spirit. In many ways, they nurture and extend the leadership needed by newly-arrived Filipinos, especially our Overseas Filipino Workers (OFWs) in navigating the various aspects of their community life in a new country. In times of emergencies, the FCOs and their leaders are our first responders; in policy decisions concerning OFWs, they are the voices of their members and staunch advocates of workers' rights; and in activities to promote the welfare, development and protection of our overseas Filipinos (OFs) and OFWs, they are our initiators, partners, and enablers.

Our Filipino communities in British Columbia, Yukon and Northwest Territories in Canada continue to expand and grow, and so do their need for government services, accurate information and community support. The handy information provided in this Directory aims to help link our OFs and OFWs to the various FCOs nearest them or with whom they share interests. In doing so, we hope that they can have greater access and wider participation to the programs and services to ensure their protection and well being which are being provided by the PCCG, MWO, OWWA, and SSS as a one-country-team.

Mula po sa Tahanan ng OFW, mabuhay po ang mga Bagong Bayani ng Mundo sa Bagong Pilipinas!

CONSULATE GENERAL OF THE REPUBLIC OF THE PHILIPPINES
VANCOUVER

14 March 2025

My dear *Kababayan*,

As part of the Philippine Consulate General's efforts to encourage and strengthen *bayanihan*, collaboration, and solidarity among the Filipino Community in our jurisdiction (British Columbia, Yukon, and Northwest Territory), it is launching a microsite in June 2025 containing the registry of Filipino Community Organizations within the Consulate's jurisdiction which will be publicly accessible online.

We hope that by building this registry and making it available to all, our *kababayan* can link up with the Filipino Community Organizations whose mission and goals are aligned with his or her interest or geographical location and be part of a support community.

The registry will only contain basic information such as the organization's mission, geographic coverage, date of establishment, key officials, and contact information. If you do not desire to have other information such as contact information or address not publicly available, you may simply indicate "available upon request".

To include your organization in the registry, you may go to this link or scan the QR code below:

<https://forms.gle/xB3HwUg36moNvQHV7>

We hope to get your responses by **31 March 2025** to ensure that we can consolidate all the information and incorporate them into the online microsite. By signing up to this registry your organizations and its officials allow your information to be provided to be for public use.

The Philippine Consulate will also make the registry available in printed booklet form in limited copies.

I look forward to your cooperation and continued support of PCG Vancouver's initiatives. *Mabuhay!*

Very truly yours,

(signed)
GINA A. JAMORALIN
Consul General
