Message from Dr. Gina A. Jamoralin Consul General

My dear kababayan,

It is with great delight that we present to you the second edition of the Directory of Filipino Community Organizations in British Columbia, Yukon, and Northwest Territories.

As with last year's first edition, we pursued the aim of providing information on Filipino Community organizations in BC, YT, and NWT so that you can reach out to those groups whose activities and projects align with your interests and / or may be able to help you with some concerns that you face in your new lives in Canada.

Aside from finding help and resources, the Consulate also launched this project to provide Filipinos a means of connecting with each other. Canada is a huge place and it can be difficult to find a sense of belonging particularly when one is new to the country. Through this directory, the Consulate also hopes that Filipinos can find a way to connect with each other and thus feel that they belong to a community that cares for each other — a community that expresses the spirit of malasakit and bayanihan in the truest sense possible.

I wish to note that the organizations featured in this publication are those that responded to the Philippine Consulate General's call for registration that ran from January to March 2026. Organizations included in the first edition that did not submit updated information are still included in this year's publication with an annotation indicating that this information was sourced from the first edition of the directory.

Maraming salamat at Mabuhay!

Registration and Updating of information for the second edition of the Directory of Filipino Organizations in BC, YT, and NWT

CONSULATE GENERAL OF THE REPUBLIC OF THE PHILIPPINES
VANCOUVER

BAGONG PILIPINAS

01 November 2025

My dear *Kababayan*,

As part of the Philippine Consulate General's efforts to encourage and strengthen *bayanihan*, collaboration, and solidarity among the Filipino Community in our jurisdiction (British Columbia, Yukon, and Northwest Territory), we are printing the second edition of the *Directory of Filipino Community Organizations in BC, YT, and NWT* in June 2026 containing information about Filipino Community Organizations within the Consulate's jurisdiction. The first edition was issued in July 2025 which needs to be updated.

We hope that by building this directory, our *kababayan* can link up with the Filipino Community Organizations whose mission and goals are aligned with his/her interest or geographical location and be part of a support community. The second edition directory will also be publicly available online in addition to printed copies via a microsite at the Philippine Consulate Vancouver's website.

The registry will only contain basic information such as the organization's mission, geographic coverage, date of establishment, key officials, and contact information. If you do not desire to have other information such as contact information or address not publicly available, you may simply indicate "available upon request". We request that the information you provide is current and valid by 31 January 2026 so that the directory contains updated information as of February 1, 2026 including the list of organization's key officers.

To include your organization in the registry, you may go to the link or scan the QR code below:

https://forms.gle/Yu1UXct7YAUVEu5E6

We hope to get your entries by 31 January 2026 to be included in the directory. Any errors or omissions contained in the entries of organizations are solely the responsibility of the organization which submitted the information and the Philippine Consulate holds no responsibility to them. While this directory is not a formal accreditation system, by signing up to this registry your organizations and its officials allow your information to be provided for public use. We also encourage you to share this letter and the QR code to other Filipino Community Organizations in BC, YT and NWT that may not be currently part of our distribution list to make them aware of this project by PCG Vancouver. **This registration is free of charge.**

I look forward to your cooperation and continued support of PCG Vancouver's initiatives.
Mabuhay!

Very truly yours,

GINA A. JAMORALIN
